

### **Developing Good Bible Study Habits, continued:**

Cross-reference other scripture to shed light on the one you are looking at.

Consulting commentaries are often helpful but be careful to not take commentaries to be absolute truth.

### **Types and Shadows**

The Bible has all kind of types and shadows. This is words used to point toward someone of something. Example: Able was a type of Christ as is the ark, the sun.

Numbers – Various numbers have unique meanings.

One means unity.

Two means division.

Three means trinity.

Seven means perfection or completeness.

Conclusion:

Study the Bible

Pray for wisdom and understanding

Develop a regular Bible reading and study time.

Apply what you learn to your life.

Take your Bible to church with you.

Start a library.
